DATE	
Every Thursday	Weekly clinic meetings.
06/13/14	Randy Lee video conference

Any Special Project Highlights / Health Fair / Events / Outreach Forms, etc. attach with submission of report.

Dr. Sam Taggart is coming to the July 17th Growing a Healthy Searcy Co. Committee meeting and doing a presentation on A history of Health and Disease in Arkansas. All are invited. Lunch will be provided.

ADH and Growing a Healthy Searcy Co. committee hosted the first Safety Baby Shower. Had 10 new/pregnant moms. Lunch was provided by the committee members. Searcy Co. Quilters club provided handmade quilts to all mothers. Decorations were provided by county extension office. Local photographer gave each mother a coupon for free professional photo session. Had several vendors present to give information and door prizes. Speakers were Cheria Lindsey, Diana Nash, Mary Eakin, Libby Seftar, and Julie Blair. Great time was had by all.

Contacted by Candace Casebier an intern from UCA. She will be conducting a community needs assessment in Searcy Co. this summer. The project is a collaboration with ArCOP and allows interns to use critical thinking and informatics skills to identify strengths, possible gaps, and opportunities in each community. Such assessment will provide benefits to communities by highlighting strengths and opportunities for collaboration as well as strategies for improvements.

Students will research on their own as well as reach out to GHC contacts to identify community resources. GHC representatives from each community selected will be invited to attend the students' presentations as well as receive a copy of their final report.

Plans being made for Arkansas Hunger Alliance staff to attend Summer Feeding program on July 24th to honor committee Volunteer Marie Morgan and the community for their work at implementing the lunch program. 455 meals have been served since June 12th.

Sebastian County

LHU Administrator: Jo Wester
